

Rationale: We will be looking at seeds and conditions for growth and using harvest as a vehicle to explore both local and world geography linked to where our food comes from. We will also explore the Christian festival of Harvest and contribute to the joint harvest service with Year 3 at Bramshott church

Hook: Magical beans- ending of a story. Growing of herbs for dips to sell to parents.

Science

Plants, seeds and conditions for growth. Identifying and classifying seeds and leaves.

Springboard Subject RE

Thankfulness - exploring the theme with specific focus of food and Harvest. Looking at where our food comes from and if appropriate looking at the effect of drought and or flooding.

Springboard Subject Geography

Identify fruits are they from the UK or abroad? Can they spot any similarities and differences between the fruits and vegetables?

Linked subjects	Art – Andy Goldsmith, creating art with nature outdoors. David Hockney, landscapes and line drawings.
	Music - songs and accompaniments for Harvest service
	English - Magical beans- Can children create a plant or a vegetable that will grow from the beans? A Very Helpful Hedgehog- retelling of the story (noun phrases, full stops and capital letters). Handa’s surprise- (noun phrases, commas in a list) Harvest prayers and poems
	DT- Growing food and creating recipes. We will design and create fruit smoothies. We will design and create herb dips to sell them on our Fabulous Friday 29 th September

Learning Values	Caring, Creative thinking, Collaboration	Maths across the curriculum
	Communication	SMSC/RRR - Taking Charge

Outcome: Durleighmarsh trip for making smoothies and creating herb dips to sell at Fabulous Friday.
